

The image displays two perspectives of a modern refrigerator's interior. The upper view shows the main storage area with three shelves. The top shelf holds a tall glass vase filled with green grapes and a small container of fruit. The middle shelf features a whole fish and a small jar. The bottom shelf contains a large head of lettuce. To the left, a door-mounted storage bin holds a bottle of olive oil and a carton of milk. The lower view shows the crisper drawer, which is divided into three sections. The left section contains green leafy vegetables, the middle section holds a box of fish sticks, and the right section is filled with dark berries. The refrigerator has a clean, white interior with a sleek, modern design.
