

Kellerschrank vor Metalltüre
11-Teilig Front und Sichtseiten in Span beschichtet K 101 PE

Material
Fronten, Sichtteile: Span besch. K 101 PE 19mm
Schrank innen: Span besch. K 101 PE, 1mm ABS-kanten

Beschläge
Topfband: Blum ClipTop mit tip on

Technical drawing of a wall section. The wall is shown in cross-section, with a base layer and a top layer. The base layer is labeled '25' and the top layer is labeled '25'. A red arrow points to the base layer with the number '5' next to it.

Technical drawing of a building floor plan, showing dimensions and structural details. The drawing includes a main rectangular area with a dashed line indicating a section cut. Dimensions are provided in meters (m) and millimeters (mm).

Dimensions:

- Overall width: 4231 mm
- Overall height: 1810 mm
- Section cut width: 1676 mm
- Section cut height: 1795 mm
- Section cut offset: 15 mm
- Section cut depth: 2 mm
- Section cut width (dashed line): 1623 mm
- Section cut height (dashed line): 1653 mm
- Section cut depth (dashed line): 2 mm
- Section cut width (dashed line): 1657 mm
- Section cut height (dashed line): 1657 mm
- Section cut depth (dashed line): 2 mm

Structural Details:

- Section cut: Indicated by a dashed line and a section cut symbol (two parallel lines with a break symbol).
- Section cut offset: 15 mm
- Section cut depth: 2 mm
- Section cut width (dashed line): 1623 mm
- Section cut height (dashed line): 1653 mm
- Section cut depth (dashed line): 2 mm
- Section cut width (dashed line): 1657 mm
- Section cut height (dashed line): 1657 mm
- Section cut depth (dashed line): 2 mm

Flumroc Bodenplatte 20mm | Art. Nr. 34.230.042 | 1 Pack á 16 Stk.
Gutex Thermoflex 40mm | Art. Nr. I100305 | 1 Pack á 14 Stk.
